

# Association of Missouri Interpreters

# Call for Papers

The state of Missouri is rich in natural, cultural, and historical resources. The state of Missouri is also rich with talented, professional interpreters who are in a fortunate position to help Missourians make connections to these resources.

How do we do that? How do YOU do that? The answer is as varied as the resources and the people.

You are sincerely invited to share your answer with your colleagues at our annual AMI Conference this September 16 – 18. We have openings for workshop presenters on Thursday morning, September 18th. Let your voice be heard and help us learn from the best.

Fill out the form and submit your workshop proposal to Kathy Cavender, Runge Nature Center, PO Box 180, Jefferson City, MO 65102 or fax to 573/526-4496 or e-mail to [kathy.cavender@mdc.mo.gov](mailto:kathy.cavender@mdc.mo.gov) no later than September 1st.
